Summary

Experienced Relationship and Corporate Banking Specialist with extensive African banking experience and a strong record of managing complex portfolios, originating corporate finance deals, and delivering strategic growth across multiple jurisdictions. Proven track record in financial institutions coverage, trade and structured finance, and credit analysis. Fluent in French and equipped with a robust understanding of African markets, I am now looking to bring this expertise to a leadership role in London's banking sector.

Experience

Regional Commercial Manager – GCR Ratings (Affiliate of Moody's)

Johannesburg & Mauritius | Jan 2025 – Present

- Spearheading commercial strategy and client acquisition across Southern Africa (SADC), with a focus on banks, insurers, and corporates.
- Leading commercial discussions involving cross-border regulatory dynamics and credit visibility strategies.
- Regular interface with C-level executives, enhancing engagement depth and revenue outcomes.

Relationship Manager – Bank One

Mauritius | Aug 2024 – Jan 2025

- Covered sub-Saharan financial institutions with a focus on originating and structuring trade loans and syndicated lending facilities.
- Contributed to a pipeline exceeding USD 100m in structured deals, while fostering new institutional relationships.
- Played a key role in credit and risk discussions with the bank's Credit Committee.

Relationship Manager – The Mauritius Commercial Bank

Mauritius | Jan 2022 – Aug 2024

- Managed a portfolio with credit limits totalling USD 600m across North and sub-Saharan Africa.
- Originated and booked corporate loans and LC confirmations, including bilateral and syndicated deals.
- Conducted credit assessments, KYC checks, covenant monitoring, and risk analysis.
- Delivered portfolio growth while maintaining strong asset quality.

Trade Services Analyst – The Mauritius Commercial Bank

Mauritius / Jan 2020 – Dec 2021

- Advised on structured commodity and trade finance deals across West and East Africa.
- Structured innovative trade solutions including in-tank financing and Open Tender Systems.
- Liaised with legal and credit teams to draft memos for executive credit committee approval.

Corporate Finance Analyst – The Mauritius Commercial Bank

Mauritius / Feb 2019 – Dec 2019

- Involved in deal execution across the corporate finance value chain, including modelling, financial analysis, and transaction documentation.
- Supported origination and due diligence for M&A and capital raising transactions.
